

THE WIZ

Rehearsal Schedule

Changes are **highlighted**

More scheduling to follow, so do NOT assume you don't have rehearsal and schedule something on TBA dates!

Rehearsals in bold are blocking with Jon Wilson

Rehearsals in regular print are music with Roy George

Rehearsals in italics are choreography with Jodi Bova

The schedule is also posted on the Drama Club website: www.solvaydramaclub.org

If your character name has a line through it - i.e. ~~Jon Wilson~~ - that means you've said you have a conflict at that time and we know you won't be there. However, if something changes and you CAN make it, do please join us.

If your character name is in parenthesis, that means you are in the scene, but it's so brief that you don't need to be at that rehearsal of the scene, (unless you really want to be, in which case feel free to come) so you'll be put in later.

Please note there may be times that you are scheduled to rehearse for which you have a conflict. If that is the case, please let Mrs. Cole or Mrs. Wilson (once she gets back) and Jon Wilson know immediately. We probably already know and it couldn't be helped due to everyone's scheduling conflicts, but tell us again just to be on the safe side.
